If you liked previous years' discount-ticket offers for the **Seaside Games**, you'll like this year's as well, as it is identical.

Standard one-day admission is \$14.00, the same as last year, and the **Seaside Games** administrators are once again offering advance-purchase tickets to the Scottish Country Dance community and our friends and families for **\$7.00**. Tickets are undesignated as to which weekend day, so it's simply necessary to have one ticket per person per day. There is no restriction upon the number of tickets that you may order nor upon for whom in addition to yourself that you do.

The procedure for ordering discount tickets will be precisely the same as last year. Please make your check for \$7.00 X the number of tickets payable to me personally (as I will myself be making one single payment), Robb Quint, and be sure to include a **stamped, self-addressed envelope** to mail the tickets to you. If you are ordering a large number of tickets and unsure of the postage, place a 44¢ stamp on the envelope and clip a couple of 17¢ stamps to it. I'll weigh the envelope with the tickets and only use as many stamps as are necessary, returning any unused overage to you inside the envelope. **Please write both the number of tickets that you have ordered and your e-mail address (or phone number if you have no e-mail) for confirmation of order receipt on the return envelope's inside flap.** There is no problem in one person's acting as an agent for a group as long as that person takes the responsibility to distribute the tickets once received by mail. Every order must be accompanied by a check **and** a stamped, self-addressed envelope.

The absolute deadline for receiving (**that's receipt, not postmark!**) orders will be two weeks ahead of the event, **Saturday, September 25th**. As soon as that Saturday's mail has arrived, I'll then place the combined order and will have the tickets early the following week to mail to you.

Mail orders to: Robb Quint; 325 Lynn Oaks Court; Thousand Oaks, CA 91320-4760. You may also hand orders to me personally, but please do not hand them to someone else to do so, as I will take no responsibility for orders that are not either mailed or handed personally to me.

Please do not contact the Seaside Games administrators about these discount tickets directly. Our "deal" is the half-price. Their "return" is dealing with one person, processing one payment, and mailing out one order.

This has always worked perfectly in previous years; I have every assumption that it will again this year.

Happy to answer any question if anything is unclear.

Robb
